## Aldi's Kit for schools

This September Aldi are giving out special Team GB athlete stickers for every £30 spent. We have 300 Team GB stickers to collect in order to be eligible for an exclusive sports kit and the chance to win £20,000 to kick start a health legacy for our school. We have a large poster to display the stickers collected and your help to collect these stickers will be very much appreciated! There will be a collecting box in the entrance near the office. Thank you for your support!

You should have received our list of clubs that at running this Term. We believe that participation in these clubs enable the children to learn and develop new schools and socialise with a wide range of children. It is important that children choose their clubs carefully as it is an expectation they attend regularly. In addition to the clubs offered by Thomas Eaton there is also a gym club on Mondays 3.15-4.15 organised by Premier Sport.

## Stonea Camp Event

Please find attached an event that is happening this weekend just up the road! Stonea Camp is holding an Open day. Sounds like a great day out!!

## Recycling bin

As a school we are hoping to do more to raise awareness of "Caring for our planet". The children are keen to recycle their lunchtime wrapper waste and so we have a new bin for them to place their clean, dry food wrappers in. This includes empty crisp packets and biscuit/cake wrappers. On Friday the children will vote for their own School council representatives from Year 6 and 2 Eco Warrior representatives from each year group. These children will be responsible for collating the views of their class and putting plans in place to ensure that our school is Eco friendly and a vibrant learning environment.
