Head of school: Mr Stephen West BA PGCE NPQH

27th April 2018

Dear parents and carers,

Welcome back to my favourite term of the year. The sun shines more often, we spend more time outside and the learning gets deeper as the children reach the end of this year's curriculum and start to get ready for the challenges of the next.

READING

The vast majority of the class are reading regularly and getting their reading journals signed. The tests that the children will take in year 6, require fast, fluent reading and regular reading at home is the best way the children can prepare themselves. Children are expected to read at least five times a week, although many of them will be reading independently rather than to an adult. Please sign and date their reading journals to show that they have read.

MATHS WHIZZ

Many children have been regularly using Maths Whizz. It is expected that all pupils will use it for at least 50 minutes over the week. It has had a significant impact on the progress of the children that do use it. Children who do not have access to the internet at home can use Maths Whizz at school on Tuesday lunchtime.

PE

PE lessons will continue to be on Thursday, but we will also be having Cricket coaching, and the children are expected to have their PE kit in school at all times.

The Farah class team would like to thank you for all your support over the last term, and we look forward to working with you in the future,

K Bultitude

Class teacher
