Dear Parents and Carers

In order to be prepared in case your child needs to self-isolate I attach the LA's guidance. If anyone in your family receives a positive test for Covid please can I ask that you inform the school as soon as possible. Thank you.

Please can I remind you that the children DO NOT need to bring a bag/rucksack to school. We are trying to minimize the items brought to school from home in line with our Covid secure Risk Assessment. The children need to bring the following items only: Drink bottle, sunhat (if necessary), coat (if required), book bag with their reading book and lunchbox (if required). Children can leave their outdoor shoes at school. We thank you for your cooperation.

Parent Consultation Meetings

The teachers are looking forward to meeting you on Zoom next week. Please contact the School Office if you have not received your Zoom link by Monday 28th September.

Reading

Reading is such an important life skill but one that can also bring immeasurable pleasure and we, as a school, encourage all of our pupils to read daily. We are celebrating the number of words read further up the school in KS2 with several of our children reading over 20,000 words this week! In Goldsworthy and Perkins class the children are being encouraged to read every day and talk every day to earn their very own RED TED. Please support your child to read daily

End of the School day

If you are collecting more than one child please can we ask that you collect your youngest child first. Thank you.

PTFA

We have a great group of parents and friends of our school who organize events to fundraise for the school to enable the children to use particular resources and enjoy special treats such as the pantomime. They are holding their AGM and first meeting of the year online via Zoom on Wednesday 30th September at 7pm. This year we will need to organize different events and would love you to join us to suggest some new ideas.

Everybody is welcome! Please email the office if you would like the Zoom link.
