

Dear Parents / Carers

Our next Celebration Assembly will be held on Friday 19<sup>th</sup> July. This will be our final Celebration Assembly of the year and may well be slightly longer than usual.

We look forward to seeing you there to help us celebrate the pupils' achievements.

### KS2 outcomes

We are extremely pleased to report that our Year 6 have performed very well in their SATs and their results place us well above National results in reading and very close to National figures in Writing, Maths and GPS. These results are a significant improvement on last year's KS2 outcomes and this reflects the immense hard work from the whole of our staff team and especially the team in Year 6. Congratulations to all of Year 6 who have worked very hard to achieve their very best. We are all proud of you!

### Parent Questionnaire

Thank you to the parents/carers who responded to our recent questionnaire. The results are very pleasing as you will see from the attached document. As a school we do listen to your views and aim to act upon suggestions and will hopefully be developing a system similar to Maths Whizz to improve spelling across the school as well as give you regular updates in terms of supporting your child's learning. I would like to encourage you all to log on to Ofsted's Parent view to express your views there too. Thank you for your support.

### Sports Afternoon

Sports afternoon was a huge success. The children thoroughly enjoyed themselves and we hope that those of you who joined us for the afternoon had a good time too?

### Transition

All of our learners will spend time in their new classes on Monday 22<sup>nd</sup> July and every child will bring home information about their new class on this day.

## Life Education Bus

Our children really enjoyed their sessions on the Life Education Bus. They remembered lots of information and enjoyed the animations of the human body and making friends with Harold the giraffe. Thank you to the PTFA for making this important learning opportunity available to all the children.

### Disco

Following a request from the children, the PTFA are holding an end of Term Disco/ Party for KS1. The event will take place on Friday 19<sup>th</sup> July KS1 4-5pm and KS2 5.15-6.30pm. We hope to see you there!

## Sunflower seed competition

Just a reminder – those of you who have grown your sunflowers – remember to take a photo of yourself next to your plant and measure its height. We will be announcing the winner in our last Celebration Assembly of this year on **Friday 19<sup>th</sup> July**.

## Summer Fayre

Thank you to all of you who attended the Summer Fayre. It was a fantastic event and my thanks go to the PTFA who did a brilliant job of organising such a successful event. The amount raised was £1075.96, which is phenomenal! Thank you everyone.

## Harpist

On **Thursday 18<sup>th</sup> July**, Bonnie who is a professional Harpist will visit us. She will be working with some of the children during the day and at **2.45pm**; she will perform to the children. If any of you would like to join us for this short presentation, please feel free to join us.

## Reports

Your child's report will be available for collection at the School Office on **Friday 12<sup>th</sup> July**. We have altered the format of the reports and would like to know your thoughts on the new format. If you would like to discuss the report with your child's class teacher, please contact the School Office to make an appointment.

## End of Term

Our last day of Term will be **Wednesday 24<sup>th</sup> July**. The children will be celebrating on Tuesday 23<sup>rd</sup> July with Reward Day and our Leavers' Assembly will take place on Wednesday 24<sup>th</sup> July at 9am.

**I wish you all a restful and enjoyable Summer holiday and look forward to seeing you in September.**
