Dear Parents and Carers

Hawking class will be starting their new topic after half term. Until then our focus is consolidating and revising learning in English and Maths ready for the tests in the week beginning Monday 13<sup>th</sup> May.

The children are also continuing to create a range of writing that can be used for their 'portfolio' – a collection of different pieces of writing used to assess their level of achievement in place of a test. We are still using the book 'Shackleton's Journey' by William Gill as a stimulus for this.

Thank you very much for all the support you have given us over the past year. Keep up the good work with SATs buster books, with daily reading and Maths Whizz – and stay calm and positive for your children. If you are calm and confident about the tests, they will be the same.

As always, if you have any questions or queries please be in touch,

Mrs Bultitude and the Year 6 team.
