of Term 6 on Monday 3rd
June.**

Sun Safety.

As the weather continues to improve as we move into the summer months please remember to ensure that the children have appropriate sun cream, sun hat and a drink in school at all times. Please also ensure that the children have a suitable shower jacket or coat in school each day.
Thank you.

Lost Property.

We currently have a number of items of lost property. Please can we request that all items of clothing are named.

Dear Parents and Carers,

We are fast approaching the end of Term 5 and are hurtling towards the final term of the current academic year. We have enjoyed a very busy few weeks in school and are this week finishing the term with our exciting whole school Eco/Art week. The children will be considering how they can look after our school, local and global environment. During the week the children will be participating in art activities with a focus on using recycled materials. We will be learning about renewable energy and how we can help to reduce plastic in our oceans. Some of the children will also be involved in planting flowers, beach cleaning and helping to improve our school site. We are looking forward to a fantastic week focusing on how we can work together to raise awareness and look after our environment, both now and for the future.

Please remember I am always available to discuss any aspect of the care and education we provide for your children.

Thank you for your continued support, which is greatly appreciated.
Chris Davey.

Staffing News.

After half term we will be welcoming back Mrs Bovill from maternity leave. She will be returning to teach 1BW on Mondays, Tuesdays and Wednesday mornings with Mrs Wild teaching on Wednesday afternoons, Thursdays and Fridays.

This means that Mrs Quinn will be moving back to her original Friday teaching RSQ with Mrs Slot teaching on Monday, Tuesday, Wednesday and Thursday.

I would like to thank everyone for their hard work and support during the last few terms.

Parents Viewing Work.

Just a reminder that the next Parents Viewing Work session will take place on Wednesday 22nd May after school. I hope many of you will be able to take this informal opportunity to pop in and share your child's achievements with them.

Non-Uniform Day for the Summer Fayre.

On **Friday 24th May we will be holding a Non-Uniform Day.** The children are invited to come in to school in non-school uniform in return for making a donation for the Summer Fayre. Children in Reception, Year One and Year Two are invited to contribute 'Mystery Bags', Year Three are asked to donate sweets for the 'Sweet Tombola' and Year Four, Five and Six are invited to donate bottles for the 'Bottle Tombola'. We are extremely grateful for your kind donations which will help us ensure a successful Summer Fayre on Saturday 8th June.

General Information Newsletter 2018-19

Summer Fayre.

Please remember that our **Summer Fayre takes place this year on Saturday 8th June**. Please put the date in your diary. The Fayre is a wonderful event in the school calendar and there will be a wide variety of exciting stalls, games and events for the whole family to enjoy. As always we are incredibly grateful to our PTA who are currently working hard planning the Fayre. If you are able to help support them through helping set up, running a stall or helping to clear up afterwards, they would be incredibly grateful to hear from you. We are looking forward to a fantastic day and hope you will be able to come along and join in the fun.

End of the day arrangements.

In order to ensure the safeguarding of our children attending after school clubs and activities could we please kindly ask parents/carers to vacate the school premises promptly at the end of the day. This is greatly appreciated and enables us to secure our site effectively for after school use. Thank you.

Parking.

We have recently received concerns from neighbouring properties regarding traffic and parking at the beginning and end of the school day. Please can we kindly request that all drivers use great care and consideration to other road users and pedestrians in the vicinity of the school. Could we also please ask that drivers park responsibly and considerately and do not block driveways and access routes. Your support in this matter is greatly appreciated and helps us to ensure the safety of our school community and local residents.
