3.00—KS1 Easter Hat Parade.

**Last day of Term 4—Friday 5th
April 2019.**

**The children return to school
for the start of Term 5 on
Tuesday 23rd April 2019.**

Dear Parents and Carers,

Welcome back to the start of Term 4. I hope everyone enjoyed the half term break and the unseasonably good weather. It is great to see the children back in school and we have another very busy and exciting term ahead. Just before the half term holiday we enjoyed a fantastic Poetry Week. The children were inspired by our visiting poets and authors and greatly enjoyed reading, writing and performing poetry throughout the week. Feedback from our visiting poets suggested we have some budding poets of the future at Seaford Primary School, so look out for them on the book shop shelves in a few years time!

Please remember I am always available to discuss any aspect of the care and education we provide for your children.

Thank you for your continued support, which is greatly appreciated.
Chris Davey.

World Book Day.

WORLD
**BOOK
DAY**

On Thursday 7th March we will be celebrating World Book Day. Please remember the children are invited to come into school dressed as their favourite book character. Year 4 will be enjoying their Anglo-Saxon day on 7th March so will be dressing in their Anglo-Saxon clothes. We are looking forward to a fun day celebrating the fantastic role books play in our lives.

Staffing News.

We will very sadly be saying goodbye to Mrs Boyce on Friday 15th March. Mrs Boyce is moving on to a very exciting new role with CLASS (Communication, Language and Autism Support Service) as a CLASS Practitioner, supporting children across a range of schools.

She has been a highly valued member of the staff team at Seaford for ten years and will be greatly missed by the children, staff and parents alike. We would like to wish her all the very best for the future and thank her for her incredible hard work, commitment and dedication to our school.

Parent Consultations.

This month there will be a further opportunity for you to meet with your child's class teachers to share and discuss their progress and targets for future learning. Parent Consultation evenings will take place on Tuesday 19th March (4.00-6.00 pm) and Thursday 21st March (5.00-8.00 pm). Please see the separate letter for details of how to book appointments. The on-line booking service opens on Tuesday 5th March at 8.00 am. Please contact the school office if you have any queries regarding the booking of appointments.

Parents Viewing Work.

There will be an opportunity to informally view and share your child's work with them on Thursday 7th March after school. Their work will be available in shared areas or classrooms. We hope you can make it.

General Information Newsletter 2018-19

Charity Sale.

I would like to congratulate the group of children in 4L who organised a charity sale in aid of Cancer Research just before half term. They sold cakes, drinks and toys and raised a fantastic total of £193. Well done to everyone involved and thank you to all those people who supported them.

Red Nose Day.

This year we will once again be supporting the national fundraising efforts on Red Nose Day which takes place this year on Friday 15th March. The children are invited to dress in something red in exchange for a £1.00 donation. This could be a red t-shirt, jumper, trousers, skirt, socks, headband or hat! We look forward to turning the school red for the day and raising money for the charity.

Parking.

Please could I remind parents about the appropriate use of our drop off facility in the morning by reading the attached letter. The car park is not in use at the end of the school day unless a permit has been issued. It has come to our attention that some drivers are tail-gating cars given access to the car park and coming into the car park without a permit. This is extremely dangerous as people have sped up to get through the gates, endangering pedestrians, other car users and school property. If this continues access to the school car park will have to be reviewed. Please ensure the car park facility is used safely and appropriately to ensure the safety and well-being of all our children and families. Thank you for your support. This is greatly appreciated.

Footballs.

Please can we remind all the children that they should not be bringing their own footballs into school as we have recently purchased new foam footballs for the children to use in school at break times. Thank you.

Pick up arrangements.

Please could we kindly remind parents/carers to wait away from the playground entrance doors when picking up children at the end of the school day, preferably behind the lines on the playground. This is to ensure the teachers have clear visibility when dismissing children at the end of the day. Thank you for your support in this matter. It is greatly appreciated.
