New Reception (Pre School) Races 1.30pm  
Current Reception Races 2.00-3.00pm

21 June Cystic Fibrosis Day—Non Uniform, wear something yellow, £1.00 donation

Dear Parents and Carers,

We are now into Term 6, the final term of the current academic year. This is always an extremely busy and exciting term in school and we have a whole variety of fantastic events planned between now and the end of term.

I would like to thank everyone for their fantastic support for our Summer Fayre at the weekend. We were not beaten by the early weather on Saturday and the Fayre went off extremely well. It was great to see a bumper crowd enjoying all the games, stalls, refreshments and entertainment on offer. I would like to say a huge thank you to our incredible PTA team who worked really hard to organise and stage the fayre. We are extremely grateful for their amazing hard work and support and hugely value their contribution to our school. I would also like to thank all the parents, friends and local organisations who contributed their time and donations to the Summer Fayre. It was a fantastic community event. We will let you know the grand total very soon!

Please remember I am always available to discuss any aspect of the care and education we provide for your children.

Thank you for your continued support, which is greatly appreciated.  
Chris Davey.

### Scooters and Bikes on School Site.

Please could we kindly remind all children and adults that scooters and bikes should not be ridden in the school grounds. This is to ensure the health and safety of everyone on our school site. Thank you for your understanding.

### Loom Bands.

Please can we ask that loom bands are not brought into school by the children. Thank you for your support. It is greatly appreciated.

### Cystic Fibrosis Awareness Day.

On Friday 21st June we will be supporting Cystic Fibrosis Awareness Day. Please see the letter below:-

*Dear Parents/Carers,*

*What is CF?*

*I'm sure not everyone knows the answer to that really...*

*I am the mum of someone who does have CF...Cystic Fibrosis.*

*One week every year a charity called the CF trust tries to raise awareness of CF. On 21st June it is, 'Wear Yellow Day'. This year I have asked Seaford Primary School if all the children (and adults) could take part in this themed fundraiser, which they have kindly agreed to do. Nurses from the Royal Alexandra Hospital will be taking the school assembly on Friday 21st June, so the children will get to know a little more about CF and ask any questions. So please, please, I would be really grateful if you could send in your child on 21st June in something yellow (it doesn't have to anything specific—socks, tie, hats, anything at all!), and donate whatever you can to this amazing charity.*

*Thank you very much*

*Dawn*

We hope everyone will be able to support this very important charity. The children can wear non-uniform (incorporating as much yellow as possible). We would be very grateful for donations (suggested £1.00) to help this very worthy cause. Thank you for your support.

## General Information Newsletter 2018-19

### Sports Day.

The week beginning Monday 17th June is our Sports Week. On Tuesday 18th June all the children will be participating in our sports morning where they will rotate in mixed age groups around a variety of multi-skills. **(On this day please can the children come to school in their PE kit which they can wear all day). Unfortunately we are unable to accommodate parents/carers at this event.**

However we do hope you will be able to join us for our race events. On Wednesday 19th June our Year 3 and 4 races take place between 10.30 and 11.30 am. The Year 1 and 2 races are on Wednesday 19th June between 2.00 and 3.00 pm. On Thursday 20th June our Year 5 and 6 races take place between 10.30 and 11.30 am and our Reception races are between 2.00 and 3.00 pm with pre-school children invited from 1.30 pm). Please ensure your child has a sun hat and water bottle with them each day and have their full PE kit in school. We look forward to a fantastic week of sport and look forward to seeing you at the races!

### End of the day arrangements.

In order to ensure the safeguarding of our children attending after school clubs and activities could we please kindly remind parents/carers to continue to vacate the school premises promptly at the end of the day. This is greatly appreciated and enables us to secure our site effectively for after school use. Thank you.

### Term Dates 2019-20.

The term dates for the 2019-20 academic year will be distributed shortly. The school will be closed for INSET days on Wednesday 4th September 2019, Monday 4th November 2019, Monday 6th January 2020, Monday 24th February 2020 and Monday 1st June 2020.

### Engine pollution campaign.

During recent rainbow group discussions some of the children raised concerns about cars leaving their engines running in the proximity of the school and the negative impact this could have on air quality and pollution. We would be very grateful if all parents/carers and visitors to the school could please ensure they do not leave engines running when waiting in the neighbouring roads around the school. We really value your support in

### Sun Safety.

Please continue to ensure that the children have appropriate sun cream, sun hat and a drink in school at all times. Please also ensure that the children have a suitable shower jacket or coat in school each day for our unpredictable summer weather! Thank you very much.

## Class Photos and Year 6 leavers photos will be on Monday 17th June
