End of day pick up.

Please could we kindly ask all parents/carers picking up children at the end of the day to stand back from the doors to enable the teachers clear visibility in order to ensure the safe dismissal of all the children. Thank you for your support.

Traffic in Wilkinson Way.

Please could we kindly ask parents and carers to ensure they are not waiting with their engines running in the vicinity of the school. The children have expressed concern about the pollution from engines around the school and would very much appreciate your support in helping us to reduce this. Please can we also ask parents to ensure they are **parking legally** and **driving** safely in the vicinity of the school.

Dear Parents and Carers,

Welcome back to the start of Term 4. I hope everyone had an enjoyable half term break, even if the weather was far from great! It was fantastic to see so many of you taking the opportunity to share your child's learning with them during our Parents Viewing Work session before half term. The second Parent Consultations of the academic year take place later this term. The dates are Thursday 19th March (4.30-7.30 pm) and Tuesday 24th March (4.00-6.00 pm). The letters detailing the arrangements will be sent out next week and our online booking system will go live on Thursday 5th March at 8.00 am. I hope you will all be able to take this important opportunity to discuss your child's progress and future targets.

Please remember I am always available to discuss any aspect of the care and education we provide for your children. Thank you for your continued support.
Chris Davey.

Chair of Governors.

Following Mr Andy Steer stepping down from the Governing Body we are pleased to announce that Mr Malcolm Anderson has been elected as Chair of Governors. We look forward to working with Malcolm and our team of governors as we continue to aim to provide the very best possible education and care for the children of Seaford Primary School.

Book Week.

As you are already aware we have a very exciting Book Week planned for the week beginning Monday 2nd March. The theme is Curious Creatures/Wild Minds and there are a whole range of activities planned to help us celebrate the wonderful role reading and books play within our lives. The details have been sent on a separate letter. We are looking forward to author and storyteller visits, our Books at Breakfast on Tuesday 3rd March at 8.15 am, the Book Swap on Thursday 5th March and the family Book Quiz on Friday 6th March. **Please also remember we are holding a Book Character Dressing Up Day on Thursday 5th March when the children are invited to come dressed as a wild creature/animal or character from their favourite story, comic book, nursery rhyme or poem.** We are looking forward to a fabulous week of exciting events.

Teracycle Recycling Scheme.

We have had a fantastic response to the new Teracycle Recycling scheme. Thank you to everyone who has used this facility so far and we would encourage everyone to use it. The recycling bins are located near to the playground entrance. Please help us to support the scheme by regularly bringing in all the listed items for recycling. We are very grateful for your support with this initiative as we continue to work as a school to help support and protect our environment.
