

General Information Newsletter 2019-2020

2019-20 Reports.

This year the academic reports will be sent to you in July, to provide an overview of your child's progress in school from September 2019 to March 2020. The reports will also provide targets for future learning. The reports contain a space for pupil and parent comments and we would be very grateful if you could complete these sections and send them back to school electronically. The reports are due to be sent out in the week beginning Monday 6th July.

Classes for 2020/21.

We are currently planning our school organisation for the 2020/21 academic year and will write to you in early July to inform you of your child's class for next year. At the moment we are considering how we can best support as effective a transition as possible within the current situation and will let you know further details shortly.

Parking in Wilkinson Way.

Please can I ask all parents and carers to park safely and considerately in Wilkinson Way and the surrounding roads as we have received reports from our neighbours regarding inconsiderate parking. Your support is greatly appreciated.

Dear Parents and Carers,

I hope you are all continuing to keep safe and well. It has been wonderful to welcome back more children over the past couple of weeks and we look forward to Year 6 children returning next week. Although school is quite different in many ways at the moment we have been delighted with the way the children have adapted to the new routines and it has been fantastic to see smiles on faces and the children enjoying their time in school. Thank you to all our parents and carers who have been superb in supporting the new routines in place at the moment. Your support is hugely appreciated.

Whilst we are delighted to be able to welcome back more children we continue to greatly miss all those children in Years 2 to 5 who are currently unable to return to school. As the current guidelines stand we will unfortunately be unable to welcome these children back this term as the school does not have the capacity in terms of space or staffing. In the meantime we will continue to work hard to provide ongoing home-learning support for children in these year groups and those across the school who are not returning this term. We also encourage you to keep us up to date with what the children are doing at home. It has been great to receive e-mails and pictures of the children's learning and activities so please continue to send these in. To further support home-school communication we are currently trialling Class Dojo in Key Stage 2 which is an online platform for sharing messages and work the children may be doing at home. Our staff are currently all working incredibly hard supporting bubble groups in school, so will reply to messages when they can.

As a school we are dedicated to welcoming back all our children as soon as it is safe to do so and our Governors and staff are regularly reviewing the latest government guidance. Although the situation remains unclear and is continually evolving we will ensure we keep you up to date with information and plans as we receive them.

Please continue to keep safe and well and we look forward to seeing everyone back in school when the situation allows.

Thank you for your continued support, which is greatly appreciated.
Chris Davey.
