

General Information Newsletter 2020-21

Term Dates.

The final day of Term 5 is Friday 28th May 2021. The children return for the start of Term 6 on **Tuesday 8th June.**

Start of the School Day.

Thank you for supporting us in ensuring the children are brought into school on a staggered basis whilst our Covid-19 measures remain in place. This has enabled us to get the children in to school smoothly and safely in the mornings. Could we please ask that all children are in school promptly for their start time as they otherwise miss important learning at the start of the day. The school gates close at **9.00 am** to secure our site. Thank you.

Spring Weather!

We seem to be in for a period of unsettled sunshine and showers ahead! Please could you ensure that the children all have a suitable waterproof coat/jacket in school with them everyday. Thanks.

Dear Parents and Carers,

I hope you are all keeping safe and well. It has been fantastic to see the children continuing to settle back into school life and it has been wonderful to see them engaging so positively with their learning across the school. I hope you enjoyed the opportunity to talk with your child's teacher at the recent parent consultations and to discuss their progress and targets. We look forward to hopefully being able to hold these meetings in person in the autumn and to also enable you to come into school and see your child's learning at our regular after school sessions which we normally run each term. We hope to re-establish these in the new school year and when restrictions allow as this is a lovely way for you to keep up to date and share your child's successes with them.

Staffing News.

At the end of the academic year we will very sadly be saying goodbye to Miss Goodwin who will be leaving Seaford Primary after 20 years dedicated teaching in our school. Miss Goodwin has been an amazing teacher and colleague and has had a huge impact on so many children, families and staff. She will be incredibly missed by all of us and we are so grateful for her hard work, dedication and commitment to our school and for the huge level of care and nurture she has provided for our children. We will keep many fond memories of her time with us and wish her all the very best for the future.

We are also sadly saying goodbye to Mrs Church who is retiring. Mrs Church has been a very highly valued member of our TA team for many years and has provided wonderful support to all the many children she has worked with. We are so grateful for her incredible dedication and commitment. She will be hugely missed by children, families and colleagues alike and we send our sincere gratitude for everything she has done.

RSHE.

We have recently been developing our new RSHE (Relationships, Sex and Health Education) curriculum in line with the new statutory guidelines. Our RSHE Subject Leaders, Mrs Roderick and Miss Robards have made a short video for parents to provide an overview of the RSHE curriculum. This will be made available to all parents and carers next week. Please do not hesitate to contact Mrs Roderick or Miss Robards if you have any questions about our RSHE provision in school.

Parking and Road Safety.

Please could we again remind all drivers that there should be no parking or dropping off on the yellow zig-zag lines in front of the school and please request that parents and carers do not drive into or park in Wilkinson Way and the surrounding closes if at all possible. Please help us to make sure that the school journey is safe for all our children, families and neighbours. Your support is greatly appreciated.

Kind regards, Chris Davey.
