Dear Parents and Carers,

Welcome back to the start of the Summer Term. I hope you had an enjoyable Easter break. It is fantastic to see the children back in school this week and we are looking forward to a very busy and exciting term ahead. As the term begins we will continue to keep in place all the current measures in relation of Covid-19. These will be continually reviewed in line with government guidance and the gradual easing of national restrictions. We will keep you updated regarding any changes as these are made and will do our very best to provide our children and community with as many opportunities and experiences as possible, as the summer term progresses, within the restrictions in place at the time.

Staffing News.

At the end of April we will very sadly be saying goodbye to Mrs Jackie Ryan who will be retiring from her role as a teaching assistant. Jackie has been an amazing and highly valued member of the staff team at Seaford Primary School for 27 years. We would like to thank her for her incredible contribution to our school during this time and the support she has given to so many children. She will be greatly missed by children, staff and families and we wish her all the very best for the future and the next chapter in her life.

We will also be saying goodbye this month to Miss Sara Melville who has been working with us on a temporary basis during the last year, most recently supporting 6TR. She will be returning to Australia and we wish her all the very best for her future and thank her for all her wonderful hard work during her time with us in Seaford.

Parking and Road Safety.

Please could I kindly ask all parents and carers to take great care when driving and parking at the beginning and end of the school day. We would be very grateful if you could support us in minimising traffic in Wilkinson Way and the surrounding roads by not driving in these roads wherever possible and walking in the close vicinity of the school. This will help to support us in ensuring the safety of our children and families at these busy times. In particular, we have recently had reports of drivers reversing into Foster Close and Chapel Close which could prove dangerous to pedestrians. Please could we also remind all drivers that there should be no parking or dropping off on the yellow zig-zag lines in front of the school. Please help us to make sure that the school journey is safe for everyone and that we are a considerate and respectful neighbour to those living in close proximity to the school. Your support is greatly appreciated.

Please remember I am always available to discuss any aspect of the care and education we provide for your children. Thank you so much for your continued support which, as always, is greatly appreciated.

Please continue to stay safe and look after yourselves.

Kind regards, Chris Davey.
