Pupil Premium Policy

Our vision

Our vision as a Church of England primary school, deeply rooted in a strong Christian tradition, is to develop happy, young people with enquiring minds, a lifelong love of learning, respect for themselves, others and the environment so that they will have the skills, resilience and adaptability to thrive in a rapidly changing world.

At Barrington, we have high aspirations and ambitions for all of our children and we believe that no child should be left behind. We strongly believe that it is not about where you come from but your commitment to learning that make the difference between success and failure, and we are determined to ensure that our children are given every chance to realise their full potential.

The school recognises that not all pupils who are eligible for pupil premium are underachieving, while some pupils may be underachieving and not eligible for pupil premium funding. It is school policy to plan, adapt and prepare for any individual, or group, in which any area of under-performance is evident. Some pupils may be achieving well, but will be entitled to funding to enhance their future educational aspirations and achievements.

Aims

To provide all pupils with fair and equal opportunities to achieve and excel in all areas of the curriculum; using and applying the most effective pedagogy, supported by use of additional, delegated funding.

To ensure that all pupils have access to activities that develop their cultural capital and prepare them for their future role as effective citizens.

To work in partnership with families and pupils eligible for pupil premium, to plan, monitor and evaluate support and intervention in order to secure individual progress and achievement.

To work with external partners and organisations to provide additional support for the social, emotional, health and wellbeing of all pupils with potential barriers to learning and achievement.

To ensure governors fulfil statutory responsibilities to make effective use of pupil premium funds in order to impact positively on pupils' achievement and attainment.

1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2017-18\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

Pupil premium policy

In addition, this policy refers to the DfE's information on [what maintained schools must publish online](#).

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

Key Principles

By following the key principles below, we believe we can maximise the impact of our pupil premium spending.

Building Belief

We will provide a culture where:

- staff believe in ALL children
- there are "no excuses" made for underperformance
- staff adopt a "solution-focused" approach to overcoming barriers
- staff support children to develop "growth" mindsets towards learning

Analysing Data

We will ensure that:

- All staff are involved in the analysis of data so that they are fully aware of strengths and weaknesses across the school
- We use research (Such as Education Endowment Foundation to support us in determining the strategies that will be most effective

Identification of Pupils

We will ensure that:

- ALL teaching staff and support staff are involved in the analysis of data and identification of pupils
- ALL staff are aware of who pupil premium and vulnerable children are
- ALL pupil premium children benefit from the funding, not just those who are underperforming
- Underachievement at all levels is targeted (not just lower attaining pupils)

Pupil premium policy

- Children's individual needs are considered carefully so that we provide support for those children who could be doing "even better if...."
- Assessment Data is collected termly so that the impact of support can be monitored regularly
- Assessments are closely moderated to ensure they are accurate
- Teaching staff and support staff attend and contribute to pupil progress meetings each term and the identification of children is reviewed
- Regular feedback about performance is given to children and parents

Some examples of interventions used in our school are:

- *Providing extra one-to-one or small-group support*
- *Employing extra teaching assistants*
- *Running catch-up sessions before or after lessons (for example, for children who need extra help with maths or literacy)*
- *Funding educational trips and visits*
- *Provision of 1:1 or small group counselling support for emotional difficulties.*
- *Funding participation in one of our extra curricular clubs to ensure all children are able to access these.*

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line the DfE's requirements on what maintained schools must publish online.

Our pupil premium strategy is available here:
