 Jokes & much more!

The Tail of a Cheeky Puppy!

I have a mad puppy at home called Jessie. She is a Jackapoo, which is a Jack Russell crossed with a poodle. She is black and she has white sock on her right front paw, and a white chest and white around her nose. She is very scruffy like Hairy McClary! She goes loony tunes when my friends come over to play.

She also TRIES to escape out of the front gate. Sometimes she attempts to eat our food off the counter. But she is adorable and looks innocent when she's done something wrong so that we think it's not her!

Here is a joke I made up:

Q. What is a Dog's favourite food?

Peacock Club is the afterschool club at Barrington Primary.

Me and my sister go on Wednesdays, but you can go any day of the week. There is a mix of children from all years, and we all get on pretty well.

On Wednesdays we do homework for 15 minutes and then we have free time until 5.30. I think it's a good idea to have homework time because it means we have less to do at home. During free time we can have a snack, do Kapla, draw, and there are some toys for the younger children to play with. At 5.30 we can go on the iPads until 5.45, then we are in the hall until home time at 6pm. In the hall you can play football or play with things like the blow-up peanut or stacking cups. My favourite bit is when we go on the iPads. There is a website we go on called Cool Maths Games, my favourite game on there is 8 Ball Pool because it's basically online Pool.

I'm looking forward to going back and seeing everyone when school starts again!

Grafham Water Trip

Grafham trip

Class 4 went to Grafham water from the 10th to the 12th of February for 3 days and two nights. They had a wonderful time even though the weather wasn't great and some of the activities were muddy and wet.

Power boats

Class 4 had the chance to drive a power boat across the reservoir, it was wet windy but extraordinary. They had to get kitted up in waterproof trousers and lots of layers of coats as well as a life jacket over the top.

Grafham challenge

Going under tunnels weaving through rope and stepping through tyres. Class 4 went out at night put their blind folds on and marched through the muddy damp woods.

Barrington Primary School

October 2018 - Barrington Primary School had an extension it was a rough time. The noise of drilling and banging was so annoying it was so, so loud. It took about a year. We had 4 sets of new toilets, a library 3 new classrooms, a well-being room, ICT suite what we use for peacocks as well. When they were building, we had to go into a different door.

One of the booths even had a sofa, armchair, table, spinny chairs, comfy seats to sit on while we were singing and a bar!
We sang 13 very funky songs and were dancing all night long!!!

The Environment

It is important to look after our environment. To help improve we can do simple things like putting our rubbish and recycling into the bin. If you see any rubbish it would help if you pick it up and put it in the nearest bin.

Just little simple things can help the environment and if everyone helps, we can make the world a better place. By Zoe B.

Music I ♥

Our music teacher is Mrs McGregor. She plays music on the piano in assembly when we sing our hymns. My favourite hymn we sing is 'Lord of The Dance'.

There are lots of different types of music. For example:

Classical, R&B, Pop, Hip Hop and more.

One of my favourite musicians is Ariana Grande because she is an inspiration to me. She is a global star, a great musician and an amazing actress. She is only 26 and yet she has a successful singing and acting career. Ariana has 9 dogs.

Billie Eilish is one of the top pop stars at the moment with her number one single 'Bad Guy'. Recently she has been asked for her new song 'No Time to Die' to be the new theme tune for the new James Bond movie.
