FOBS - Gin Tasting Night

This month's gin tasting evening held on Friday 16th March was much fun and a great success, raising £500 for FOBS. A fabulous amount and a big thank you to all those who supported the event. On the night, seven different gins were tasted; two from South Africa, one from the Isle of Wight, a local gin and the remainder made in London. The evening was compered by Suzie Tydeman who provided a detailed account on how to taste a gin and what to look for, as well as providing a selection of botanicals to enhance the tasting. This was followed by a delicious cheese buffet and a little more gin. Thank you to all those involved, in particular to Suzie Tydeman and Rowena Gardiner for hosting and organising the event. We are already very much looking forward to next year's planned sherry tasting night.
