Parking – Reminder!

Cars should not be parked along the front of school on the single yellow line where parking restrictions are in force between 8.30-9.30am and 2.45-3.45pm.

We appreciate parking and access is difficult at present but request your patience and ask you allow more time for your journey, safety has to be of the utmost importance. We would also ask cars parking outside the restricted times do not park on the pavement as we have received complaints from pedestrians trying to use the path.

We would request your full co-operation in this matter as it is for the safety of all the children and local residents.
