FOBS

Last month's Scoot Safety Day was a lot of fun with each class enjoying their own Scoot Safety session to cover key skills to help the children ride safely outside of school. These sessions were followed by an energetic sponsored School Scoot-athlon; a mini duathlon consisting of completing as many laps (running and scooting) as possible in 15 minutes.

We are delighted to announce that the children raised a total of **£562.50** through their Scoot-Athlon sponsorship for FOBS. A fantastic effort. Thank you and well done to everybody.

The raffle to win a new MICRO Sprite-Aztec scooter also proved to be very popular raising **£195.50** for FOBS. In addition, thank you to those children who brought their old scooters into school that day. These were donated to The Scooter Aid Scheme where Micro revamp unwanted scooters and give them to children's charities in the UK.

A big thank you to FOBS for organising the day, to Rubicon for their scooting expertise, and to all the children and their friends and families for their fantastic support and generous sponsorship.
