Keresley Grange

This week at Keresley Grange...

Half term holidays are finally here!

What a busy half-term it has been! The library has been updated, Parents Evening has happened and many parts of the school corridor have been re-designed. As well as all of our usual hard work and focus on exciting things such as Lego, the Vikings and Planet Earth, we have embarked upon the most exciting new journey that the school has gone on for many years. We are now officially Keresley Grange Academy as part of The Futures Trust. This will lead to lots of improvements and developments for our children and families in the near future. Not only that, but we are busily exploring opportunities to run a Nursery from school. As ever, we really appreciate all of the support from parents and carers and wish you all a lovely half-term holiday. Please remember that we have an INSET day on Monday 27th February so the children will return to school at **8:45 on Tuesday 28th February.**

Attendance

This week, our average attendance is 95.99%. The class with the highest attendance this half term was Charlie's Chocolate Factory with 97.79%. Well done! Which class will have the best attendance for the whole of next term? We are going to start having prizes and awards for those classes with the best attendance.

Storytelling Show-off!

This week, we hosted lots of student teachers from around Coventry and Warwickshire to show them our fantastic storytelling curriculum. They all loved it and went away with a great impression of our fabulous school! Well done to all children and members of staff!
