Wednesday, 08 February 2017

Dear Parents & Governors,

As you will have read in recent letters and newsletters, our Learning Adventure for spring 2017 is called **"I Love London"**.

During the fortnight beginning Monday 20th February, all classes, from Nursery to Year 6, will be involved in our Learning Adventure. Each class chooses an aspect of **"I Love London"** and prepares to teach other pupils and visitors about their learning in a fun, memorable and inspiring way.

I would like to invite parents and governors to come and see the outcomes of our adventure on Friday 3rd March between 9.00-10.30am. We will start in the downstairs hall with a presentation about the learning adventure and then parents will have the opportunity to join in with the fun and learning across the school.

You will be able to visit your own child's class as well as other year groups, as they either teach others or learn from others. At the end of your visit we want to hear from parents about which zones they felt were brilliant at teaching you about their theme; we will use this feedback to give our awards at our annual Learning Adventure Oscars ceremony which will take place in the summer term and celebrates the success of the fortnight.

Last year, the children and staff responded brilliantly to their challenge and visitors, parents and special guests were very impressed with the standard of our children's work and their skills in teaching others about what they have discovered.

We look forward to another fantastic Learning Adventure this year building on last year's success and hope that you will be able to visit and share in the experience.

Yours sincerely,
Mr James Simmons
Headteacher
