

Nursery Free Flow Activities - Week 2

Monday

Understanding the world:

The butterfly looked very different as a baby.

What did you look like when you were a baby? Have a look at your baby photos and use a mirror to look at you now. What differences can you see?

What can you do now that you couldn't do as a baby?

Think about what you will be like as an adult. What will you be able to do as an adult that you can't do now?

Tuesday

Go on a minibeast hunt! Can you go outside and spot any insects? What insects can you see? Use the tick sheet below.
