Dear Children & Staff,

Many people say that children should know more about money, finance and the world of work. At OGPS we want to give you the best start in life so you can go on to become whatever you want to be!

This year's whole school Learning Adventure is named "OG Entrepreneurs" and we want to inspire you to learn about what it means to be a successful entrepreneur.

Your challenge begins today! You will have lots of time to learn as much as you can about an aspect of being an entrepreneur before showing off your skills and knowledge to other children, to teachers, the governors, your parents and other invited guests.

We want to inspire you to become leaders of learning! We want you to become leaders of learning; leaders in your groups and leaders in your classrooms. Your journey to become a leader, manager, CEO, Headteacher or even future Prime Minister starts here!

Your classroom will need to be transformed into an inviting and exciting learning zone; with each class trying to make theirs unique! You will plan some creative practical activities for your guest visitors that will teach them all about what you have learned about an aspect of being an entrepreneur.

On Thursday 27th June and Friday 28th June, you will become teachers and welcome children and adults into your classes to teach them all about what you have become an expert in! You will have a chance to teach children from our nursery to year 6 and on Friday morning we will welcome parents, family members and some special guests. Your zone needs to impress all our visitors and show them what a fantastic school OGPS is as well as inspire them to become an entrepreneur!

This year, the Learning Adventure Trophy will be decided by all the people who visit the school on Friday 28th. All classes will be awarding special certificates that will be given out at our annual Learning Adventure Oscars Ceremony. Our personalised awards will mean there will be something to recognise everyone's hard work!

Good luck with your challenge!

Yours sincerely,
Mr James Simmons
Headteacher
