Dear Parents & Governors,

One of the ways we enrich our curriculum is by holding "Learning Adventures" that unite the school. This year we have already had a technology & engineering adventure in the autumn term "Lights, Camera, Action!" and a science adventure in the spring term "Let it Grow!" You will remember that last year we held our last whole school Learning Adventure entitled "OG@80". Today we have launched our theme for 2019 and would love for you to be a part of the journey!

Many people say that children should know more about money, finance and the world of work. At OGPS we want to give children the best start in life so they can go on to become whatever you want to be! So, this year's whole school Learning Adventure is named "OG Entrepreneurs" and we want to inspire them about what it means to be a successful entrepreneur.

During the Learning Adventure, which begins today, each class chooses an aspect of "OG Entrepreneurs" and prepares to teach other pupils and visitors about their own learning in a fun, memorable and inspiring way.

Their challenge begins NOW! They will have time to learn as much as they can about aspects of being an entrepreneur before showing off their skills and knowledge to other children, teachers, governors, parents and guests at the end of the adventure.

We want to inspire our children to become leaders of learning! We want them to become leaders in their groups and leaders in their classrooms. Their journey to become a successful leader, manager, CEO, Headteacher or even future Prime Minister starts here!

Their classrooms will be transformed into an inviting and exciting learning zone; with each class trying to make theirs unique! They will plan some creative practical activities for their many guests that will teach them all about an aspect of being an entrepreneur.

On Friday 28th June, 9.00-10.30am, parents and families are welcome to come and join the adventure and see our children as leaders in action, teaching you all about what they have become an expert in!

We would love you to be part of our “OG Entrepreneurs” Learning Adventure...

If you think you can help us in any way, if you have links to, are an expert in any of the classes chosen topics below or can offer any other support, please do get in contact with us; we would really appreciate your support.

The zones for 2019 will have the following themes...

<i>Year</i>	<i>Theme</i>	<i>Year</i>	<i>Theme</i>
<i>Nursery</i>	<i>Numbers & Counting</i>	<i>Y3</i>	<i>Travel & Bureau De Change</i>
<i>Reception</i>	<i>When I grow up I want to be...</i>	<i>Y4</i>	<i>Advertising & Sustainability</i>
<i>Y1</i>	<i>Money & Coins</i>	<i>Y5</i>	<i>Making £5 Grow</i>
<i>Y2</i>	<i>Banks</i>	<i>Y6</i>	<i>Careers Advice Corner</i>

Each year, our children and staff respond brilliantly to their challenge and visitors, parents and guests have always been very impressed with the high standard of our children’s work, their skills and confidence in teaching others about what they have discovered.

We look forward to another fantastic Learning Adventure, one which builds on our previous successes.

Yours sincerely,
Mr James Simmons
Headteacher
