Using Images of Children Consent Form

PUPIL CONSENT FORM

Tuesday 22nd May 2018

Dear Parent/Carer,

A photograph can say a thousand words to capture the learning process in action, so at OGPS we take photographs of pupils. We use these photos in the school’s promotional materials, on the school’s website, letters, brochures, banners and on display boards around the school. We would like your consent to take photos of your child, and use them in the ways described above. If you are not happy for us to do this, that is no problem – we will accommodate your preferences.

Please tick the relevant box (es) below and return this form to the school office

At school events, such as year group assemblies, sports days and performing arts concerts we allow parents to take photographs or videos, It is always stressed that such photographs or videos are for family use only and should never be published online where they show children other than their own.

I am happy for my child to be photographed or videoed at school events by parents/visitors

I am **NOT** happy for my child to be photographed or videoed at school events by parents/visitors

I am aware that parents should not post photos or videos online where they show children other than their own.

If you change your mind at any time, you can let us know by emailing admin@olivergoldsmith.brent.sch.uk, calling the school on [Tel:0208 205 6038](tel:02082056038) or just popping into the school office.

If you have any other questions, please get in touch.

Why are we asking for your consent again?

You may be aware that there are new data protection rules coming in from May. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.
