# In autumn term 2015...

## Learning Adventure for Art entitled "Amazing Artists & Curious Critics"

### Specific Objectives of the ART Learning Adventure

- Each child AND adult in the school created a piece of art work that was displayed in a school community wide art exhibition.
- Learned about famous artists & their styles.
- Learned how to evaluate pieces of art, both in terms of preference but also techniques used
- Children took part in before and after evaluations to show how their critique skills improved
- Celebrate artistic skills at OGPS – found our hidden artists & critics!

***Oliver Goldsmith Primary School***

## **AIMS & OBJECTIVES...**

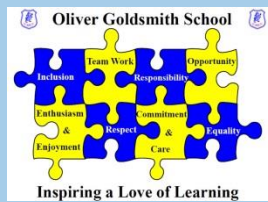

- Create a memorable experience to inspire learning.
- Pupil centred/pupil choice/pupil led.
- Creates a purpose for learning.
- Children become the teachers! (They plan, teach & assess!)
- Hands on practical learning opportunities.
- Visits & Visitors to engage and motivate.
- Involves stakeholders (parents, governors & community)
- Skills focus...

- Resilience
- Independence
- Collaboration
- Evaluation

# **Whole School Theme**

Each class then chooses a theme for their classroom on that theme and turns it into an exciting learning zone for children to visit!

***Oliver Goldsmith Primary School***  
***"Inspiring a love of learning"***

## **PROCESS WITH PUPILS IS KEY**

1. Model & inspire them – teach them options
2. Guide & monitor – open questions
3. Pupils to keep evaluating what they are doing
4. Pupils to keep referring to skills continuum to think about their development
5. High expectations, for high quality outcomes!

*Oliver Goldsmith Primary School*  
*"Inspiring a love of learning"*

## LEARNING PROCESS...

- What do you want to learn about?
- What you want to teach visitors?
- How will you teach them? (interactivity?)
- How will you assess if they have learned what you wanted them to learn? (activity?)

***Oliver Goldsmith Primary School***  
***"Inspiring a love of learning"***

## OUTCOMES...

- Amazing classrooms turned into interactive learning zones.
- High quality feedback from parents and visitors.
- Class evaluation folder of the learning adventure.
- A special edition newsletter.
- A display of photos, and pupil work in one of the common areas of the school.
- Evidence on website, Twitter & Facebook.

## **The Challenges we have faced...**

*For the Staff:* Letting go and putting the children in charge of their own learning!

*For the children:* Thinking as teacher, how to assess whether you have taught someone successfully!
