Learning Adventures

Learning should be an adventure…

Diversity Champions!
Learning About and Championing EQUALITY!

Our Learning Adventures focus on helping our children learn and think about issues of social justice.

In the autumn term our focus is being…
DIVERSITY CHAMPIONS

In the spring term we move to think about being…
CLIMATE CHAMPIONS

In the summer term we finish by learn to be…
DISABILITY CHAMPIONS

Each year we repeat these and as children move through the year groups in the school they pick up new learning as they go.

We want to provide our children with the cultural capital they need to become successful adults who make a positive contribution to society.

MUSIC MARK

PROUD TO BE A MUSIC MARK SCHOOL

Celebrating Success at OGPS

'When it comes to arts and culture, Oliver Goldsmith Primary School sounds like a very fun and exciting place to be for children and staff.

From the time they start school, children have numerous opportunities to engage with the arts such as working with The Orchestra of Age Enlightenment, attending KS1 music concerts at Wigmore Hall, learning to play musical instruments, participating in school trips to the theatre and after school clubs and performing in school productions and assemblies."
