Brent Music Service has created an excellent free online resource for children to continue learning music at home. Follow the link above and fill in a few details for access to the resource. Details will only be used by the Brent Music Service to see which schools are accessing the website.

**Warm up:** Play the 'which rhythm do you hear?' game on the musicplay website.

Year 1 - choose game 1 or 2

Year 2 - choose game 2 or 3

**Singing:** Get moving with one of these upbeat songs to listen and sing along to. I like 'Can't stop the feeling!'

### Instrument Families

Instruments have families just like we do! All instruments with strings belong to the string family. All instruments that are made of brass and look shiny and golden are part of the brass family. All instruments we shake or hit belong to the percussion family. Instruments we have to blow belong to the woodwind family.

Look through 'My Musical Instrument Book' resource. You can read about each instrument family with someone in your household. Once you've read about each one, colour in the instruments and complete the fun activities.

**Challenge:** Research one of the instruments you haven't heard of before! You can use this website to help you.
