

Y1 Week 2 French

Numbers up to 10

1/ Practise counting numbers up to 10 by watching this video on the bbc website.

Two French children play La Marelle, a French playground game similar to Hopscotch. They count in French using numbers 1-10 as they play.

2/ If you have a garden or an outside area, you could play the game “La marelle” and practice counting the numbers in French!

3/ Play the interactive game “Numbers 1-10” on “Busy things”. You need to match numbers with French words.

You can access the website by clicking the address underneath. Remember you need your username and password to be able to use LGFL resources. Then click on busythings.lgfl.net, curriculum browser, languages, Numbers 1-10.
