

Monday 6th July Session 1

Discussion

Read the text below. It is from a story that we will be reading this week.

Now look at these questions and discuss them with someone in your family.

Discussion questions

Who is this?

What do you think you know about Claude? (You might think about where he lives, what he does, what he looks like, how he behaves and how he feels.)

What in the words and pictures give you clues about his character?

Now think about the adventures he may have.

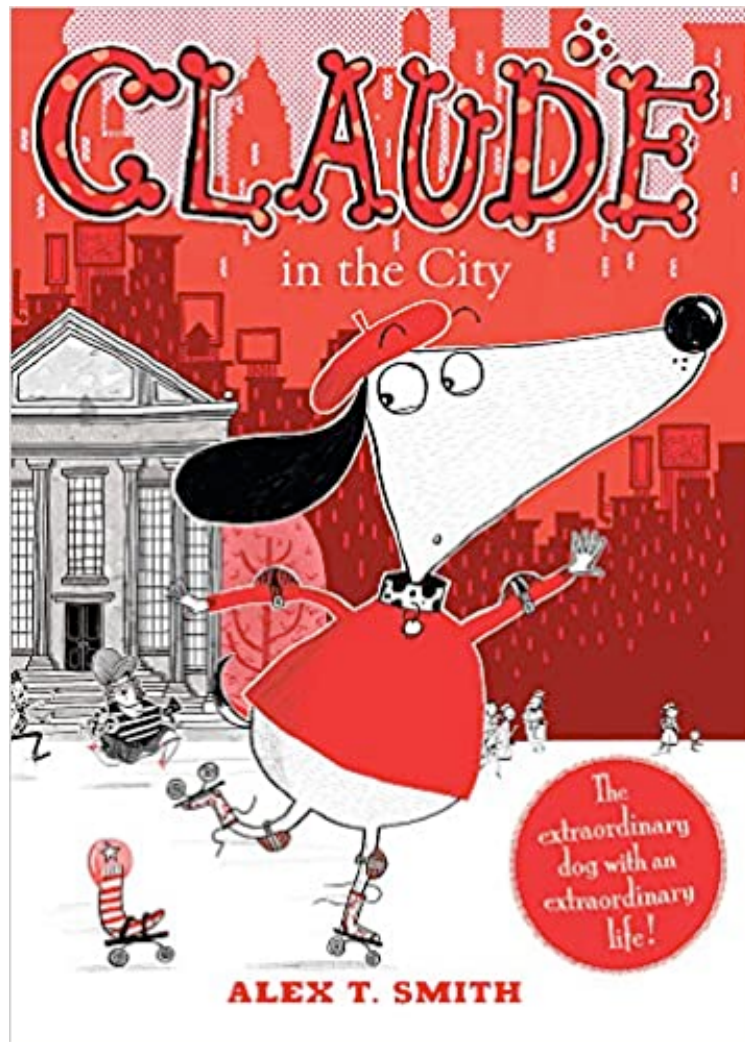

Who might he have these with?

What kind of adventures might these be?

What is Claude interested in?

What is happening in his imagination as he thinks about this?

What does this tell you about the story that might lie ahead?

Now look at the front cover above and read the title.

What more have you learnt about Claude?

Where is he?

What do you think he is doing there?

How is he feeling now?

How do you think this is different from the way he felt at home?

Why might he be pulling this face?

What might happen in this story involving Claude and any other characters you notice?
