

## Thursday 9th July Session 4

### Diary entry

Write a diary entry as if you were Claude. Remember to:

- Write in the past tense
- Stay in character
- Write about feelings
- Use adjectives

You can use the story map from yesterday to remind you of the events in the story.

I'll start you off:

Yesterday, I had the most adventurous day. I have always imagined being able to go and see the wonders of the outside world, and I was lucky enough to find an opportunity. Whilst Mr and Mrs Shineyshoes were getting ready to go out, I was getting ready to plan my adventure with Sir Bobblysocks...

Now see if you can draw your own picture of Claude:
