

## Y2 Week 12 French

### Les couleurs (colours)

1/ Two weeks ago, I introduced the colours in French. This week, you are going to recap them and hopefully you will know most of them! 😊 Revise French colours by watching this video and repeat each time. Do not worry about the grammar lesson at the end of the video, just focus on the French colours.

2/ Can you find all the French colours in this word search? (folder called "Les couleurs wordsearch")

3/ Listen to this song and try to sing along with it! 😊

4/ You could draw a picture of your choice and write down the names of the colours in French around your drawing.
