

Tuesday 21st April:

Discuss and write about the differences between Jack and Rose. use conjunctions such as: *but, however, as well as, because of, also, even though*. Here's an example:

Jack enjoys playing rough and tumble games like football but Rose likes to read fairy stories and use her imagination to enter different fairy tale worlds. Even though Jack appears to be the tough one

Questions to think about:

What does Rose like doing?

What are Rose's favourite stories?

What does Jack like doing?

Do they like playing alone or with friends?

Who is the most scared? (Think about the end of the story)
