

Friday 12th June Session 5

[Watch Lila and the Secret of Rain](#) Beautiful illustrations.

To link in with our Geography work we are going onto Information writing next week. So get us into the idea of Information I would like you to:

Research Kenya

<https://www.natgeokids.com/uk/discover/geography/countries/country-fact-file-kenya/>

Here are some questions to think about:

Where is Kenya? Which countries are Kenya near to?

What animals would you find in Kenya?

What ocean is beside Kenya?

What is the weather like?

What languages are spoken?

What money do they use?

What is Kenya famous for?

What does the flag look like?

What animals are found in Kenya?

Write some notes and do some drawings to build up your own fact file.
