

Friday 19th June Session 5

Let's end the week in a fun way. [BBC Bitesize MC Ernie Game](#) prefixes and suffixes
Here's are some 2 animal word searches.

The image shows a digital word search game interface. At the top, there is a browser-like header with a minus sign, a plus sign, and '90%' in the center. Below this is a title 'Jungle' in a green, bubbly font. The main area is a white rounded rectangle containing a 15x15 grid of letters. Below the grid is another white rounded rectangle containing a list of animal names: jungle, sloth, tiger, crocodile, gorilla, anteater, panda, tapir, and jaguar. To the right of the list is a cartoon illustration of a jaguar with brown spots on its body, standing in a grassy area. The background of the game is a colorful illustration of a jungle scene with trees, a river, and a blue sky.

How many words can you make from: If possible 4 letters or more.

African Animals?

Lastly for this week I will read a famous story by Rudyard Kipling called How the leopard got his spots.
