

*(These answers are not cut and dried, your child might have their own valid answer, something I haven't thought about.)*

- 1) Because the trees fan out over her head like an umbrella, the trunk being the handle.
- 2) Gathering the crops / pulling crops from the ground.
- 3) Clever, smart, hard working, ambitious, tall, loves nature, sensitive, observant, a leader, unhappy etc.
- 4) The trees have disappeared, women are having to go far to collect firewood, there are no birds, the land has turned into a desert.
- 5) Because they are having to carry heavy firewood for long distances.
- 6) Land that is too poor to be able to grow crops.
- 7) There are no insects or plants to eat and no trees to nest in and shelter.
- 8) That no food will grow, that women are having to walk so far to bring back heavy firewood, that there are no birds to see and hear.
- 9) Thinks up with a plan to do something about the barren land.
- 10) There could be a variety of answers to this:

That it is not a good idea to cut trees, that a woman / women can change the world in a good way, that we need to keep our land balanced with plants and buildings, one can change the world in small steps, that it is important to stick to what you believe in and so much can be done if you work as a team.
