Scientific Enquiry: Week 2

Below you will find three questions which can be used for the development of scientific enquiry.

- Odd One Out (OOO)
- Positive Minus Interesting (PMI)
- Big Question (BQ)

Additional Activities

Take a look at this website. There are lots of exciting activities related to spring. Enjoy! Click [Here](#)

THE ULTIMATE LIST OF **SPRING** STEM ACTIVITIES

Odd One Out

Look at the pictures above.

- What is the same about the objects in all the pictures?
- What is different about the objects in the pictures? List as many as you can, explaining your ideas.
- Now choose your odd one out. You need to say why it is the odd one out for you.

Positive Minus Interesting (PMI)

Note as many positive, negative and interesting observations or ideas about

a world without electricity.

Big Question (BQ)

How do you know the person next to you is alive?
