

Y3 Week 4 French

Fruits and some food items

1/ Revise names of foods by listening to them on MP3 file and looking at the words at the same time on Powerpoint. Make sure you repeat the French word every time. Do it two or three times.

2/ Practise the names of foods by doing an activity on the worksheet provided.

3/ Play an interactive game on the link below, scroll down until you see "Fruit labelling in French". You need to match words and pictures. Can you work out the three new foods on the list?
