

Music Task Week 6 - Years 3 & 4

BMS – Music'sCool Online Resource

Parent link: <https://forms.gle/8Er3aRGurbrrURfA7>

Brent Music Service has created an excellent free online resource for children to continue learning music at home. Follow the link above and fill in a few details for access to the resource. Details will only be used by the Brent Music Service to see which schools are accessing the website.

Hi Everyone!

I hope you enjoyed learning about the instrument families last half term. Here is a new set of activities for this week.

Warming up:

Here's a tricky body percussion and singing warm up that is lots of fun to do. Don't get discouraged if you can't get it straight away - I had to practise a lot too!

https://www.youtube.com/watch?v=FZTv7PD_U0M&t=178s

I look forward to seeing who can master this warm up when we are all back together again in school :)

Singing:

<https://www.popuk.org/kids-at-home>

This website has a 'Song-A-Day' program. Start with the first song 'Stronger'. It is very uplifting and funky with a great message about overcoming challenges we all face.

Design an Instrument

Now that you have learned about the string, brass, woodwind and percussion families, have a go at designing an instrument. Brainstorm your ideas and edit your work until you have created a fantastic instrument. If you have materials available at home you can build and decorate your instrument too! Use the templates below for help. Here is a video of a year 4 class sharing some instruments they have designed for inspiration.

<https://www.youtube.com/watch?v=fIZPNP3tibw>

You can share your design, singing or warm up performances as a video or photo to music@olivergoldsmith.brent.sch.uk.

Keep safe,

Mrs McNeil
