

Dear Year 3,

We would like to know a little bit more about you before you come to Year 4 in September. Please choose from the templates below (or draw your own) and fill in with anything that would describe you: things that you like, what are you good at, your family etc. More ideas can be found on the template.

Please take care when drawing, colouring and writing as we would like to use your work for the display. We can't wait to get to know you!

Please email your work to us:

Here is a little bit more about us ☺ ☺

# My Heart Map

Fill in all the sections of the heart with pictures and labels of things that you love. For example: your favourite colour, your family, best friends, hobbies, rainy day activity, pets, favourite food, TV show, subject at school etc.

What are you most looking forward to in Year 4? Is there anything you are worried about?
