

## Y4 Week 10 French

### Pets (les animaux domestiques)

1/ Revise the names of pets in French by watching this video again.

<https://www.youtube.com/watch?v=BenORTnIwWw>

2/ As-tu un animal? (Do you have a pet?)

Follow the powerpoint by listening and repeating each time. Pay attention to the plural rule in French! Make sure that you click on “slide show” in the menu and then “from beginning” otherwise you won’t hear anything!

3/ Make a colourful poster about pets you have at home. If you don’t have a real pet, you could write about an imaginary pet.

#### **Toolkit of your poster:**

1. Get an A4 piece of paper if possible.
2. Write the question in French! (no in English please!) **As-tu un animal?**
3. Draw the pet or pets (remember it could be an imaginary pet) with colour pencils or felt tips.
4. Write the answer to the question in French with no spelling mistakes! (check the powerpoint!)  
**For example: J’ai un chat.**
5. Your poster needs to be neat and colourful! 😊
6. Enjoy doing it! 😊
