

Y4 Week 1 French

Numbers up to 31

1/ Practise counting up to 31 by listening to this video. Follow the instructions by repeating and then practising writing the numbers.

Now can you count by heart up to 31? Check the video if needed.

Can you say any numbers randomly without counting in your head?

https://www.youtube.com/watch?v=eu_dsGvo_Ac

2/ Play the interactive game “Numbers 11-20” on “Busy things”. You need to match numbers with French words.

You can access the website by clicking the address underneath. Remember you need your username and password to be able to use LGFL resources. Then click on busythings.lgfl.net, curriculum browser, languages, Numbers 11-20. If you wish you can also do “Numbers 1-10”

Busy Things <https://www.lgfl.net/learning-resources/summary-page/busy-things>

3/ Have a go at finding the numbers on the interactive word searches (1 to 4)

<https://www.helpfulgames.com/subjects/french/265-numbers-0-to-100-in-french.html>

or sing along with the song practising your numbers.
