

## Y4 Week 6 French

### As-tu des frères ou des soeurs? (Do you have any brothers or sisters?)

1/ In the previous weeks, you learnt the members of the family in French and how to say their name. Today you are learning how to ask and then answer how many brothers or sisters you have. Listen to the MP3 file and follow the powerpoint at the same time. Make sure you repeat each time.

2/ As-tu des frères ou des soeurs? 😊

Pretend that Miss Dardenne is in the room and answer to my question in French!

3/ Qui sont-ils? (see worksheet called "qui sont-ils")

Look at the photographs and the sentences. Who are they? Complete the sentences by adding the names. Remember "c'est" means "it is"

4/ Que disent-ils? (see worksheet called "que disent-ils")

What do they say? See for each person how many brothers or sisters they have and write the correct sentence underneath. The first one has been done for you.

Enjoy your French and stay safe!
