1. First...

Watch the Ten Pieces introduction film about Elgar's Enigma Variations. Elgar wrote the variations about his friends, using music to describe people's characters and creating musical portraits.

2. Then...

Join CBBC's Naomi Wilkinson and take inspiration from Elgar's musical portraits. Draw a picture of someone you miss and write about a piece of music that reminds you of them. You can find the template on the page below.

3. Finally...

Share your picture and musical memory. Send your artwork and music selection to your special person to show they are in your thoughts.
