

Year 4 Transition Lesson – Tuesday July 14th 2020

Welcome to Year 5

Hello Year 4!

In September, you will be joining Year 5 and we, as your new teachers, want to get to know you better before the new school year. We have set you three mini tasks which will celebrate your achievements in Year 4, allow you to look forward to Year 5 and to give you the opportunity to tell us a little bit about you.

Task One

Write down (in full sentences), your three biggest achievements in Year 4. These don't have to just be about things you have achieved in the classroom, they can be personal achievements too. What three things are you most proud of?

Task Two

Think about the goals that you want to achieve in Year 5 and what you are going to do to achieve these goals. Write down your three goals, in full sentences, and explain how you are going to achieve them. Remember, you can achieve these goals. You just need to believe in yourself and work hard and we know that you will be successful!

Task Three

We want to know more about you. This is your opportunity to tell your teacher (Mrs Luke or Mr Lev) all about you. We want to know:

- What do you like?
- Do you have brothers or sisters?
- Who are you friends with? Who do you like to sit next to in class?
- What do you like to do at break and lunch time?
- What lessons do you enjoy?
- What lessons would you like us to help you with most?
- What are your hobbies?
- What do you do outside school?

Think about the questions above; think about anything else that you want to tell us or that you may be worried about that you'd like us to know. Please bring your letters and goals on the first day back in September. We look forward to getting to know you all better and we especially look forward to welcoming you to Year 5 in September.

See you in September!

Mrs Luke and Mr Lev
