

Y5 Week 1 French

Numbers up to 100

1/ Practise counting up to 100 by singing along to this video. Repeat as many times as needed.

Now can you count by heart up to 100? Check the video if needed.

Can you say any numbers randomly without counting in your head?

<https://www.youtube.com/watch?v=DnrTrbJ6mYs>

2/ Play the interactive game “Multiple of 10” on “Busy things”. You need to match numbers with French words.

You can access the website by clicking the address underneath. Remember you need your username and password to be able to use LGFL resources. Then click on busythings.lgfl.net, curriculum browser, languages, Multiple of 10. If you wish you can also do “Numbers 1-10 and Numbers 11-20”

Busy Things <https://www.lgfl.net/learning-resources/summary-page/busy-things>

3/ Play any of these letter grids, questions with text answers or multiple choice games.
