

WALT: Write our first draft of our own Greek Myth

YEAR 5 2020

Last week in your topic work you would have build your knowledge and understanding all about the Ancient Greeks

You should know when the Ancient Greeks were around in.

You should know key features about the Ancient Greeks.

You should know what it was like to live like an Ancient Greek.

You should have a good understanding about the characteristics of the Ancient Greek's Gods or Goddesses.

You know an Ancient Greek Myth.

By the end of this week one lucky member of your family (or friends) will have the opportunity to

Listen to you read your Ancient Greek Myth to them!

So you are obviously going to look to entertain them. But we also want to make sure that it is a Year 5 piece of work.

Write a list of what you think will be on our toolkit and then check if you were right or not on the next page.

The toolkit

Year 5 writing toolkit:

- Amazing verbs
- Adverbs and fronted adverbials across paragraphs
- Expanded noun phrases
- Relative clauses
- Semi-colons
- Past tense
- Third person
- (One more but this will be revealed next lesson)

Greek Myth toolkit:

- ❖ Set in the Ancient Greek times
- ❖ Have Ancient Greek characters (maybe gods, beasts or other famous monsters from the time like medusa)
- ❖ Have some sort of message or lesson that is learnt.

(There may be more things that you wish to have that I have not mentioned).

Step 1 plan your Myth

This is down to you decide what works for you. You can write, draw, act it out.

I personally prefer drawing it; here is my example on the right.

Click on the picture if you wish to hear me explain my plan.

Step 2 write the first draft of your story.

Follow the toolkit, do not worry if you end up changing things that is normal and we will look at adding things in anyway.

You are looking at this being at least a page, I'd expect it to be minimum 3 paragraphs.

Enjoy.
