

Y5 Week 6 French

Revise days and months

1/ Revise the seven days of the week (les jours de la semaine) by listening and singing this song.

Can you now name them all from memory?

Do the same with the twelve months of the year (les mois de l'année). See link underneath.

Remember no capital letters in French for days of the week and months of the year.

2/ Recap all days and months on this link underneath, you can click on each day and month to hear the pronunciation. Then if you scroll down, you will see "play game" click on it and you can play the interactive quiz game. Do you know them all now? 😊

3/ I would like you to answer to the question: "**Quelle est la date d'aujourd'hui?**" by saying it and writing it **every day** in French! You can write the long date on a piece of paper or in a little book if you have one. And I mean it, every day!!! 😊 Great practise! Make sure you check the spelling if you are unsure, eventually it will be perfect! 😊

Enjoy your French and stay safe!
