Newspaper competition

- Deadline 28th of June.
- To write your own newspaper article.
- You will email your final copy to your class teacher.
- All submissions will be anonymised.
- The school community will vote.
- The winner will get a massive trophy.

What to research

- Remember the better your story the more likely it is to be good.
- You may need to research more than one story until you find the one for you
- Remember you need to get it from more than one view point.
- It better to do your story on something recent, rather than something that everyone already knows about.
- Whatever the story is get a local view on it, call a friend, interview a family member or email your teacher, get their views in on what they think about it.
