

## Science Investigation Plan

WALT: Investigate what sport makes you sweat the most?

Question - What do we want to find out?

We want to find out...

Equipment - What equipment will we use?

We will use:

Variables - What could we change? *Stick to sports that you can do around the home or garden-*

We could change...

We are only going to change:

Fair test - What will we keep the same?

We will keep...

Method - What did we do?

Firstly we...

Then we...

Measure - How are we going to record our results? *Make sure you draw out your results charts BEFORE you carry out your experiment*

We could record our results by using...

Diagrams   bar charts   drawings   tables   tally sheets   writing

Prediction - What do you predict will happen?

I predict that...

Results

What has happened?

Sport 1:

Sport 2:

Sport 3:

Sport 4:

Sport 5:

Sport 6:

Conclusion - Why do we think this has happened?

I think this has happened because...
