Message from the Headteacher

Dear Parents,

Our theme within school next week is *gentleness*. This Christian value is about speaking to and about one another with gentleness and this will be our focus next week. Not because we don't already, but it is always important to keep coming back to what we do and the way we do things, so that we can be the best we can be as a school and as individuals. I'd like to extend this challenge to you for the week ahead, and to consider the question - What gets in the way of this gentleness? For me, it is tiredness. I know that if I don't make sure I get enough sleep, especially later in the week, I have a much shorter fuse when speaking with people!

I also want to let you know about a tweak to our attendance procedures from next week. If your child is absent and we have not heard from you, rather than receiving a text, you will be called by Mrs Wood between 9-9.30am. She will keep calling you within this time to ensure we can account for every child's whereabouts. The best thing to do is to call or email the school office and leave a message. The answerphone and email account will be checked ahead of any phone calls being made. Many thanks in advance for your support with this.

Have a lovely, albeit wintery weekend,
Mr Chamberlin

NOTICE BOARD

May we remind parents that the school car park is for staff only. No one other than school staff should drive into the school car park. Parents are respectfully asked not to bring their vehicles into the staff car park as it causes congestion and can be very dangerous at peak times, especially when the children are coming into the school hall on wet and frosty mornings. We also remind parents to not pull into or park on the yellow zig-zag lines outside school.
