Message from the Headteacher

Dear Parents,

It has been an action-packed couple of weeks for the children and the staff at St Johns. We have taken part in netball, football and swimming events and our Year 6s have successfully completed their cycling proficiency training. We have also visited all sorts of exciting places – with Year 5 at the Science Museum this week and Year 4 visiting Turner’s House as part of an art project. The staff too have been busy attending a host of courses to inspire them in their teaching and to help us keep striving to offer the best opportunities to the children.

I hope you enjoy the couple of hours of peace and quiet this evening as your children get their disco on! The (dancing) shoe will be on the other foot next month as your children stay at home while you get to come and enjoy your own evening of entertainment at our School of Rock event – tickets on sale next week! In the meantime, I look forward to seeing you next Wednesday at our online safety presentation.

Have a lovely weekend,
Mr Chamberlin
